
LATEX EMULSION SATIN MATT

Product Description:

Latex Emulsion Satin Matt is a high-quality rich in titan and pure acrylic in Italy raw paint that offers a smooth, matte finish for both interior and exterior applications. This versatile emulsion paint is formulated to provide excellent coverage and a durable, long-lasting finish, making it ideal for use on walls and ceilings in both residential and commercial spaces. Its low-sheen matte finish helps to hide imperfections and stains while providing a sophisticated, modern look. With excellent adhesion and easy application, Latex Emulsion Matt is a go-to solution for various painting projects. 300 wash

Health and Safety:

- **Precautions:** Wear gloves and eye protection, ensure good ventilation, and avoid skin and inhalation contact.
- **Storage:** Store in a cool, dry place, away from sunlight and children.

Quality & Durability:

Durability:

Known for its long-lasting durability, Semi Latex offers excellent resistance to dirt, stains, and environmental pollutants. Its semi-gloss finish enhances surface protection, providing better resistance to moisture, wear, and mildew.

Resistance:

Offers superior resistance to cracking, peeling, fading, and yellowing, making it suitable for high-traffic areas and variable environmental conditions.

APPLICATION INSTRUCTIONS

- **Mixing:**
Stir the paint thoroughly before use to ensure consistency and even distribution of pigments.
- **Application Tools:**
Apply with a high-quality brush, roller, or spray gun. For larger areas, rollers are preferred for quicker and more uniform coverage.

Technical Details

- **Type:** rich in titan and pure acrylic
- **Finish:** Matt (non-reflective finish)
- **Color Availability:** Wide range of colors (custom shades available upon request)
- **Density:** 1.2 - 1.4 g/cm³
- **Viscosity:** 90 - 110 KU
- **Coverage:** Approximately 45 -60 m² per gallon per coat
- **Drying Time:** 30 minutes (touch-dry); 2-3 hours for re-coating
- **VOC Content:** ≤ 50 g/L
- **Thinner:** Water (if necessary)
- **Shelf Life:** 12 months when stored in a cool, dry place in sealed containers

Uses:

• Interior Applications:

Ideal for use on walls and ceilings in living rooms, bedrooms, hallways, kitchens, and bathrooms. The matte finish helps in hiding surface imperfections and provides a smooth, uniform look.

• Exterior Applications:

Suitable for outdoor use on masonry, concrete, and primed wood surfaces, offering good resistance to weathering and fading in mild outdoor conditions.
