
SAFECORE AC

Product Description:

SafeCore AC is a high-performance Polyurethane-based protective coating designed for multiple applications, including roof protection, tile adhesion, waxing concrete surfaces, and external floor sealing hold pressure and have uv and water resistance . It enhances surface durability, prevents scratches, and provides excellent water resistance, making it ideal for residential, commercial, and industrial use. The formulation ensures strong bonding, UV resistance, and long-lasting protection.

Health and Safety:

- **Precautions:** Wear gloves and eye protection, ensure good ventilation, and avoid skin and inhalation contact.
- **Storage:** Store in a cool, dry place, away from sunlight and children.

Quality & Durability:

- **Superior water repellency** prevents moisture damage
- **Strong adhesion** ensures long-lasting bonding for tiles and floors
- **Scratch and wear resistance** for high-traffic areas
- **Anti-dust and easy-to-clean** finish
- **Enhances durability** of concrete, tiles, and external surfaces

APPLICATION INSTRUCTIONS

Mixing

1. **Shake or stir well** before use to ensure uniform consistency.
2. Dilute with **clean water every 17 kg of safecore ac super clear diluted in 5 L of xylene** for ease of application.

Application

1. Apply using a **brush, roller, or spray** in thin, even coats.
2. Allow **2-4 hours** drying time between coats.
3. Apply **2-3 coats** for optimal durability and protection.
4. For tile waxing and concrete sealing, **buff the surface** after drying for a polished finish.

Technical Details

- **Color:** Gray and all colors
- **Drying Time:** Touch dry in **30-60 minutes**, fully cured in **24-48 hours**
- **Coverage:** **70 meters² per pail**
- **Water Resistance:** Excellent after full curing
- **Scratch Protection:** Forms a tough, durable coating that resists abrasion
- **Luster:** Gloss

Uses:

- Waterproofing and protection of **roofs**
- **Adhesive** for tile waxing and concrete sealing
- **External floors**, driveways, and walkways
- **Scratch prevention** on coated surfaces
- **Industrial and commercial flooring solutions**
